Ground Floor

Sydney 2060

Nestled in the vibrant hub of North Sydney, this area pulsates with energy and convenience. Surrounded by a dynamic mix of commercial, retail, and residential spaces, it offers an eclectic blend of amenities. Conveniently accessible via an extensive network of public transport, commuting is a breeze. The iconic Sydney Harbour Bridge and picturesque waterfront are within easy reach, providing breathtaking views and leisure opportunities. Indulge in a diverse culinary scene with trendy cafes, upscale restaurants, and cosy eateries lining the streets. Explore nearby parks and recreational areas for outdoor activities or immerse yourself in cultural attractions like art galleries and theatres. With its central location and seamless connectivity, North Sydney epitomizes urban living at its finest.

This A-grade building showcases end-of-trip facilities, high-end fit-outs, and modern finishes, undergoing a comprehensive refurbishment in 2019. With aspirations of achieving a minimum 4-star NABERS rating following lobby upgrades, the space seamlessly integrates convenience, connectivity, and sustainability. This workspace offers a range of flexible and fully serviced office solutions, catering to teams of 1-50 people. Focused on creating a productive and collaborative work environment, state-of-the-art facilities and amenities are provided to inspire clients and support business growth.
