

# Serviced Office Australia

## 3/68 Albert Street

### Berry 2535

WorkLife Berry is positioned within heritage spaces in the heart of the bustling village of Berry. Our intimate co-working and event space has a large community of members who love the proximity to the local school, bakeries, and their favourite cafes. With a large bookable boardroom and private event space, WorkLife Berry isn't just a space for our members. One-off exclusive use of our 6-person boardroom starts at \$90 per person and is capped at \$400 per day PLUS catering costs. We would be delighted to host your next planning day, workshop or off-site, professional or committee meeting. The boardroom can be booked 24/7, while our shared space (capacity 20 seated) can be booked after hours for talks, workshops or seminars. After-hours exclusive hire of the space starts at \$250.

WorkLife is a network of coworking spaces across Dharawal Land. Our carefully designed spaces carefully balance style, acoustics, technology, ergonomics and COVID-safety. From corporate level data security to best practice ergonomics, health and safety standards, WorkLife is committed to enhancing our members productivity and wellbeing. Our Berry site presents a sweet country cottage feel from the curb, as you step in you'll find a purpose built modern fit out to make working a breeze. WorkLife collaborates with local architects to ensure our spaces are modern, unique, and functional. With stunning finishes and our signature pops of yellow, our spaces are comfortable and intimate. The multi-purpose kitchen has a dishwasher, fridge, air-fryer, kettle, espresso machine, and toaster. Members have access to tea, coffee, snacks, fruit, beer, and wine. Our sites are accessible, and we provide accessible amenities to make sure everyone is welcome. With multiple outdoor spaces available and workable with the ever-changing weather, enjoy these spaces on your break or as a relaxed way to meet with clients and colleagues.
